|---|---|
| Aromatic nitrogen heterocycles
Aromatic nitrogen heterocycles as bridging ligands; a survey 227 | nickel, palladium and platinum bis(maleonitriledithiolate) compounds 171 |
| Bailar
Interview of John C. Bailar, Jr. 1 | Palladium bis(maleonitriledithiolate) compounds
The chemistry and solid state properties of nickel, palladium and platinum bis(maleonitriledithiolate) compounds 171 |
| Copper
The activation of small molecules by dinuclear complexes of copper and other metals 25 | Perrhenate (ReO_4^-)
The chemistry of coordinated perrhenate (ReO_4^-) 205 |
| Dinuclear complexes
The activation of small molecules by dinuclear complexes of copper and other metals 25 | Platinum bis(maleonitriledithiolate) compounds
The chemistry and solid state properties of nickel, palladium and platinum bis(maleonitriledithiolate) compounds 171 |
